

Nada Bargougui

Date of birth: 11/06/2002 | **Nationality:** Tunisian | **Phone number:** (+216) 41657704 (Mobile) | **Email address:** nadabargougui1@gmail.com | **Address:** College Khalid Ibn Alwalid, 9100, Sidi Bouzid, Tunisia (Home)

● WORK EXPERIENCE

01/06/2022 – 30/06/2022 Sidi Bouzid, Tunisia

INTERNSHIP TUNISIE TELECOM

- Assisted in monitoring and maintaining telecom infrastructure, gaining hands-on experience with tools for network performance monitoring and optimization.
- Explored the integration of IT and Telecom systems to enhance service optimization and performance.
- Contributed to project documentation, including scheduling and reporting, while collaborating closely with engineers and technicians on network operations.
- Developed strong communication skills and adapted to professional workplace dynamics.

03/07/2023 – 03/09/2023 Sidi Bouzid, Tunisia

INTERNSHIP DIAMLAB

- Developed and implemented an Automated Temperature Monitoring System using IoT-based solutions.
- Designed a user-friendly dashboard to monitor real-time data and visualize temperature trends with Node.js, React.js, and Express.js.
- Implemented a data logging system to store and analyze temperature data in Google Sheets, ensuring easy access and management.
- Contributed to improving laboratory safety and efficiency by automating temperature monitoring and providing real-time alerts for anomalies.

● EDUCATION AND TRAINING
